

Lighthouse Preservation Fund

United States Lighthouse Society

FOR THE LOVE OF LIGHTHOUSES

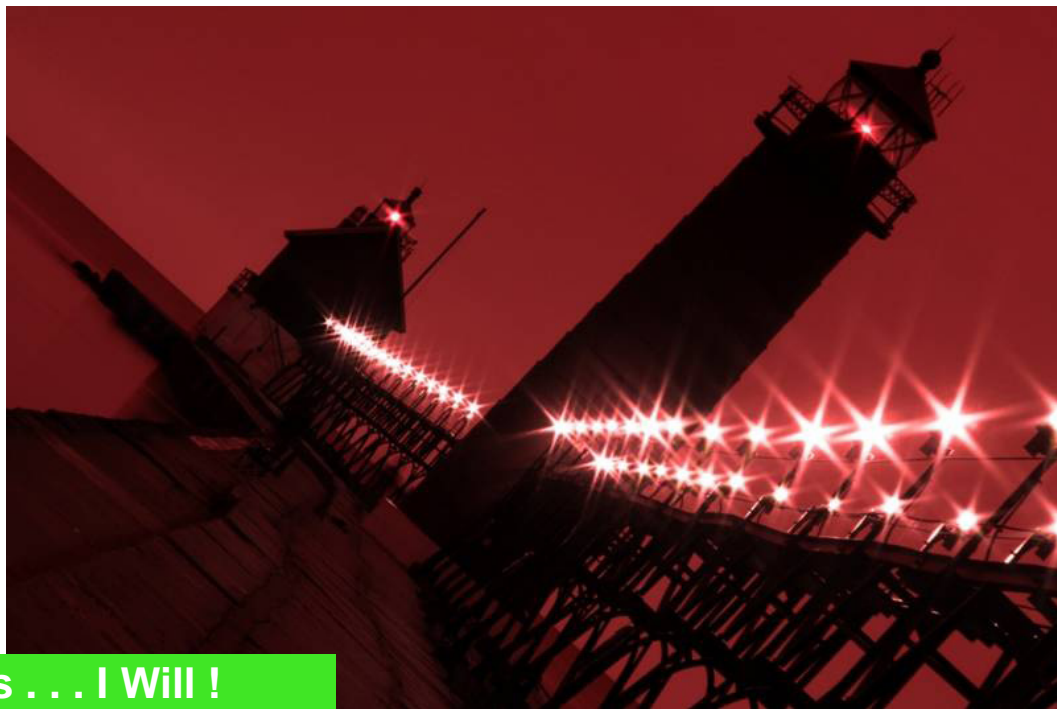

When you choose to support the Lighthouse Preservation Fund, your contribution makes you a partner in our ongoing work to sustain all that makes lighthouses special.

Make a gift that will last for many lifetimes!

Join us . . . in our work to preserve lighthouses with a gift to our Lighthouse Preservation Fund.

Established by the U.S. Lighthouse Society, this important effort enables the Society to support restoration projects through an official grant making program, the only one of its kind.

It's simple . . . as the fund grows, dividends finance lighthouse projects around the nation. This means 100% of your donation or bequest will remain invested forever. Your generous contribution now will have a positive impact on lighthouses for many years to come.

For Lighthouses . . . I Will !

The Society's **Lighthouse Preservation Fund** was created so that future generations could experience the majesty and beauty of lighthouses we enjoy today . . . and to continue to appreciate the unique history of America's lighthouses.

Congress of THE United States,

Organ and held at the City of New York, on Wednesday the fourth of March, one thousand seven hundred and eighty nine.

An Act for the establishment and support of Lighthouses, Beacons, Buoys, and public Harbors.

"Although the era of manned light stations has come to a close, those remaining symbols of our maritime heritage can, and should, be preserved for future generations."

- Wayne Wheeler, USLHS Founder

How Do I Donate?
