

“I’m a Little Lighthouse”

(sung to the tune of “I’m a Little Teapot”)

I’m a little lighthouse short and small (children crouch low)

I’m not big and I’m not tall (children shake their heads “no”)

But I have a job that I must do (children point to themselves)

In the fog and darkness too. (children squint eyes as if looking into fog or darkness)

I flash my bright red light (children whisper Flash! Flash!)

Through night and day

I ring my bell (children say Bong! Bong!)

Fog, go away! (children admonish fog with a shake of the finger)

Yes, I’m a little lighthouse (children point to themselves)

Small and proud (children stand up very straight)

My light is bright (children shout Flash! Flash!)

And my bell is loud! (children say BONG! BONG! Very loud)
